COMPETITION EVENT INFORMATION

- The level at which each gymnast competes will depend on the skill level achieved and routine quality. Generally, all gymnasts will remain at the same level for the entire competition season, but in some instances, gymnasts may progress up a level during the season. The decision to compete gymnasts at a higher level will be at the discretion of the coach and Program Manager.
- Attendance at competitions for all gymnasts in the National & State level programs is compulsory.
- All gymnasts will receive an annual competition schedule at the commencement of the year once we receive the calendar from Gymnastics WA. Additional Interclub competitions may be added to the calendar as and when we receive information from clubs. Please let us know, via email, as soon as possible if you know you will not be available for any of the competitions.
- Gymnasts in the Development groups will receive competition information relevant to their level throughout the year as required skill level is achieved.
- Competition entry fees are due prior to the due date on your competition calendar. A reminder will be sent one week prior to the due date. Late entries will not be accepted. Gymnasts with outstanding balances on monthly or term fees will not be entered into competitions.
- Competitions schedules and workplans are set by GWA and we have no input into the process. You will be advised of times and days for competitions once we receive the information from GWA. It is not unusual for there to be changes to the schedule or workplan after we have received it. If this is the case, you will be informed as soon as we receive the information.
- Gymnasts must wear full competition uniform for their respective level and wear their hair in the club style.
- Gymnasts must be at the venue at least 10 minutes prior to registration time. Any gymnast not at the venue prior to General Warm up time will not be permitted onto the competition floor.
- Once the gymnasts take the floor for General Warm up, they will be in the hands of the coaches. Parents should have no contact with their gymnasts during the competition. This includes hand signals.
- Parent volunteers are required at all competitions. An email will be sent asking for volunteers once the work plan has been received from GWA. If no-one volunteers, we will randomly select a family to fulfil the allocated positions. Volunteers will receive free entry to the event.
- Where the event is a team event, teams will be selected to give the greatest number of gymnasts the best possible chance of achieving team placings. Team members are selected from results at competitions, attitude and attendance at training and apparatus strengths.
