College Park Gymnastic Academy is affiliated with Gymnastics WA and Gymnastics Australia. We run classes in Women's Gymnastics, Men's Gymnastics, Kindergym and Pre-School Gymnastics, Trampoline and Tumbling. All our coaches and judges are accredited and Technical Members of Gymnastics Australia.

College Park Gymnastic Academy is committed to ongoing coach education and support.

KINDERGYM

college park gymnastic academy

KINDERGYM is a parent participation class where the child and parent / care giver can spend some quality time together in a fun, safe environment.

We aim to offer positive movement experiences where the children may creatively explore the gym environment and practice skills safely thus increasing physical capabilities, self-confidence and independence.

Classes are 45 minutes in duration and are run under the Guiding Principles of Kindergym Australia.

Activities include singing, dancing, climbing, rolling, trampoline and lots of fun games.

The program will help stimulate motor skill development, build strength, balance and co-ordination. Simple, constructive playtime activities are introduced to stimulate the child mentally and physically.

PRE-SCHOOL GYMNASTIC CLASSES

Pre-School classes build on the skills developed in the Kindergym class. Activities include singing, dancing, climbing, rolling, hanging, balancing, trampoline and fun games.

The program helps develop strength, flexibility, co-ordination, balance and posture.

The children will learn to follow instructions in a group situation and interact with their peers.

Pre-requisites for the class include the ability to follow simple instructions from the coach and interact with other children in a safe and appropriate way.

Parent participation is not permitted in Pre-School classes.

PARENT INFORMATION

To ensure the safety of our gymnasts and the quality of our program we ask that all parents adhere to the following rules.

- ✚ Children and parents must wait in the holding area until asked to enter the gym by the coaches. All children must be supervised at all times. Children must not venture into the gym area or play on the equipment prior to class.
- ✚ Younger siblings are welcome in the class (Kindergym classes only), however their safety and wellbeing is the parent's responsibility. If necessary to bring older children to class they must wait in the holding area during the class. Their wellbeing is the responsibility of the parent.
- ✚ Clothing should be comfortable, but not too loose. Bare feet for children is recommended. Parent participants may wear soft soled shoes if desired. Long hair must be tied back.
- ✚ Full attention must be given to the child during class. Please make sure that you do not spend the class chatting to other parents, leaving the children to their own devices.
- ✚ Punctuality is important to your child and other class participants. When seated on the floor at the beginning of class it is essential that you pay attention to the instructions of the coach – no conversations with other parents.
